

WARHAMMER 40,000 CODEX: ADEPTA SORORITAS

Official Update for 7th Edition, Version 1.0

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

FAQs

Q: If Saint Celestine dies and passes her Miraculous Intervention special rule Leadership check to return to the board next turn, but the game ends, does she award Victory Points?

A: Yes – a model that is not on the board at the end of the game counts as destroyed for the purposes of Victory Points.

Q: Do rules that modify a model's statistic apply when that model is 'dead'? For example, items or rules that alter Leadership when rolling to see if Saint Celestine passes her Miraculous Intervention check to come back to the battlefield.

A: No.

Q: How many models can shoot out of the firing hatch on the roof of the Immolator?

A: One model can fire from the Immolator's top hatch.

Q: In Codex: Adepta Sororitas, there are three Apocalypse Battle Formations. The codex was written a while ago and things have changed quite a bit in the game. Can I use those formations in regular, non-Apocalypse games?

A: No.

Q: Can a Canoness take more than one relic?

A: A Canoness can take only a single relic.

Q: It is not stated what kind of weapon the Exorcist missile launcher is. Is it a turret-mounted weapon or a hull-mounted weapon?

A: It's a turret-mounted weapon.

Q: The eviscerator is listed in the wargear section as being available for the 'Canoness and Ministorum Priest only', while under the Melee Weapons list/pop-up on the Canoness' and Priest's pages it says 'Ministorum Priest only'. Which is correct?

A: The text in the Melee Weapons pop-up is incorrect; an eviscerator can be taken by a Canoness or a Ministorum Priest.

Q: What part of the Adepta Sororitas' Exorcist tanks do you use to check line of sight for the Exorcist missile launcher?

A: From any part of the missile tubes.
