

# WAR ZONE FENRIS: CURSE OF THE WULFEN

## Official Update for 7th Edition, Version 1.0

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

### FAQs

*Q: When using Daemonic Corruption to control Objective Markers, if a Daemon unit from a Daemonic IncurSION Detachment is sitting on an Objective Marker, can an enemy unit take it back without a special rule like Objective Secured?*

A: If a unit from a Daemonic IncurSION is within 3" of a corrupted Objective Marker and an enemy unit is also within 3" of that Objective Marker, the Objective Marker is contested. If either of these units has Objective Secured, the objective belongs to them (if this is the non-Daemon player, the objective would also be cleansed).

*Q: Can a unit without the Objective Secured rule cleanse an objective that is controlled by Daemonic Corruption if there are no enemy units within 3"?*

A: Yes. Any scoring unit can cleanse an objective so long as the Daemon player doesn't have a unit within 3".

*Q: The Whips of Agony from War Zone Fenris: Curse of the Wulfen state that only an Exalted Alluress can take them, but the Exalted Alluress on a Hellflayer doesn't have the option to*

*take daemonic rewards. Can she take the Whips of Agony?*

A: No. Only an Exalted Alluress riding a Seeker Chariot or Exalted Seeker Chariot can take the Whips of Agony.

*Q: War Zone Fenris: Curse of the Wulfen states that 'The Bloodthirster of Unfettered Fury, Bloodthirster of Insensate Rage and Wrath of Khorne Bloodthirster datasheets replace the Bloodthirster Army List Entry found in Codex: Chaos Daemons.' Does this mean that when I cast the Daemonology (Malefic) Possession psychic power I get to choose any of the three Bloodthirsters listed to conjure?*

A: Yes.

*Q: Does Shared Power from the Infernal Tetrad treat each Daemon Prince as if it were the Warlord, or do Warlord Traits with wordings like 'your Warlord receives X' only affect the actual Warlord? Do these effects stack?*

A: When using Shared Power, the other models in the Infernal Tetrad have the same Warlord Trait that you generate for your Warlord. This affects each of the Daemon Princes as if they were your Warlord, and they each benefit individually from the rule. For example, if you generated the Savage Hedonist Warlord Trait, you would add 1 to the Attacks characteristic of each of the models, not 4 to the Attacks characteristic of your Warlord. The effects are never cumulative – a unit within 7" of two or more models with the Miasma of Pestilence Warlord Trait would only suffer D6 additional Strength 1 hits with the Poisoned special rule at the end of the phase, not 2D6 or more. For another example, if the models in the Infernal Tetrad have the Strategic Genius Warlord Trait, you would only add 1 to your roll to Seize the Initiative, not 4.

*Q: How does Shared Power interact with Slay the Warlord?*

A: Only the model originally chosen to be your Warlord awards a Victory Point for Slay the Warlord.

*Q: The Infernal Tetrad's Shared Power special rule states that if one of the Daemon Princes is your Warlord then the other models in the Formation also have his Warlord Trait. Does this mean if my Warlord is aligned to Tzeentch and I roll Lorekeeper of Tzeentch that I can have a Daemon Prince of Khorne with Psyker (Mastery Level 1)?*

A: In this circumstance, Shared Power does not apply to Daemon Princes of Khorne.

*Q: Does the 'flip' from the Paradox artefact count as a re-roll for the purposes of the rule allowing any dice to only be re-rolled once?*

A: No. You could use a re-roll on the dice you have 'flipped' or use the 'flip' on re-rolled dice.

*Q: Does the effect of the Mark of Excess artefact stack?*

A: Yes.

*Q: The Lord of Skulls isn't mentioned in the update for Daemons in War Zone Fenris: Curse of the Wulfen. Was this a deliberate omission?*

A: Yes.
