

WARHAMMER 40,000

DARK IMPERIUM

Official Update Version 1.1

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

ERRATA

DEATH GUARD

Pages 18, 19, 20 and 21 – Datasheets, Abilities

Add the following ability to the datasheets for the Lord of Contagion, Malignant Plaguecaster, Noxious Blightbringer and Plague Marines in the Dark Imperium Death Guard booklet:

'Death to the False Emperor: Each time you roll a hit roll of 6+ for a model with this ability in the Fight phase, it can, if it was targeting an **IMPERIUM** unit, immediately make an extra attack against the same unit using the same weapon. These extra attacks cannot themselves generate any further attacks.'
