

BATTLETOME: BLADES OF KHORNE

Designers' Commentary, June 2018

The following commentary is intended to complement *Battletome: Blades of Khorne*. It is presented as a series of questions and answers; the questions are based on ones that have been asked by players, and the answers are provided by the rules writing team explain and how the rules are intended to be used. The commentaries help provide a default setting for your games, but players should always feel free to discuss the rules before a game, and change things as they see fit if they both want to do so (changes like this are usually referred to as 'house rules').

Our commentaries are updated regularly; when changes are made any changes from the previous version will be highlighted in **magenta**. Where the stated date has a note, e.g. 'Revision 2', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

Q: When can I expend Blood Tithe points in order to use a reward in the hero phase?

A: Blood Tithe points must be expended before your opponent uses any start-of-turn abilities in your own hero phase, or after your opponent has used any start-of-turn abilities in your opponent's hero phase.

Q: Does the unbinding effect of The Brazen Rune's automatic unbinding ability have an unlimited range?

A: Yes.

Q: If I use the same Blood Blessing more than once on the same unit, are the effects cumulative?

A: Yes.

Q: When Skarbrand becomes Incandescent because he was not able to fight in the last battle round, does he use the Incandescent row of the damage table to determine Slaughter's attacks and Carnage's total carnage rolls?

A: Yes.

Q: Can the 8 wounds inflicted by Skarbrand's Total Carnage ability be modified in any way, for example by a Stonehorn's Stone Skeleton ability? Can the wounds be inflicted on an unwounded model in a unit that already has a model in it which has 1 or more wounds?

A: No to both questions.

Q: Can the Bloodthirster of Unfettered Fury's Drawn to the Kill ability be used to move a model that could not otherwise be moved? Because it was atop a Balewind Vortex, for example.

A: No.

Q: Can the Bloodstoker's Whipped to Fury ability be used to modify a run roll and a charge roll in the same turn?

A: Yes.

Q: If I use the Whipped to Fury ability from two Bloodstokers on the same unit, do I add 6" to its run and charge rolls?

A: No.
