

# BATTLETOME: SKAVEN PESTILENS

Designers' Commentary, June 2018

The following commentary is intended to complement *Battletome: Skaven Pestilens*. It is presented as a series of questions and answers; the questions are based on ones that have been asked by players, and the answers are provided by the rules writing team explain and how the rules are intended to be used. The commentaries help provide a default setting for your games, but players should always feel free to discuss the rules before a game, and change things as they see fit if they both want to do so (changes like this are usually referred to as 'house rules').

Our commentaries are updated regularly; when changes are made any changes from the previous version will be highlighted in **magenta**. Where the date has a note, e.g. 'Revision 2', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

*Q: On the Plague Monks warscroll, the option is given for models to be Icon Bearers with standards, or Plague Harbingers with instruments. The warscroll states that any model in the unit can be an Icon Bearer or a Plague Harbinger. Does that mean I can equip my unit of Plague Monks with both options from both categories?*

A: Yes, you may take multiple standards and instruments in a unit if the warscroll allows it.

*Q: Is a Plague Furnace a mount for the Plague Priest upon it?*

A: Yes.
