

## GENERAL'S HANDBOOK 2018

### Designers' Commentary, October 2018

The following commentary is intended to complement the *General's Handbook 2018*. It is presented as a series of questions and answers; the questions are based on ones that have been asked by players, and the answers are provided by the rules writing team explain and how the rules are intended to be used. The commentaries help provide a default setting for your games, but players should always feel free to discuss the rules before a game, and change things as they see fit if they both want to do so (changes like this are usually referred to as 'house rules').

Our commentaries are updated regularly; when changes are made any changes from the previous version will be highlighted in **magenta**. Where the date has a note, e.g. 'Revision 2', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

*Q: Do mortal wounds count as wounds for the purposes of the Feed on Depravity rule?*

A: No.

*Q: Do the Pitched Battle profiles for the Tzaangor Shaman, Tzaangor Enlightened, Tzaangor Skyfires and Tzaangors in the Beasts of Chaos battletome override those in the Disciples of Tzeentch table in the General's Handbook 2018, and can those units (including Tzaangor Enlightened on Discs) be taken as part of a Tzeentch army?*

A: Yes to both questions. Updated Pitched Battle profiles always take precedence over any profiles with an earlier publication date or no publication date. As these units all have the **TZEENTCH** keyword, they can be taken as part of a Tzeentch army.
