MIDDLE-EARTH STRATEGY BATTLE GAME RULES MANUAL

Official Errata, November 2018

The following errata correct errors in the *Middle-earth Strategy Battle Game rules manual*. The errata are updated regularly; when changes are made any changes from the previous version will be highlighted in **magenta**. Where the date has a note, e.g. 'Regional update', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.
