

BATTLETOME: FLESH-EATER COURTS

Designers' Commentary, March 2019

The following commentary is intended to complement *Battletome: Flesh-eater Courts*. It is presented as a series of questions and answers; the questions are based on ones that have been asked by players, and the answers are provided by the rules writing team explain and how the rules are intended to be used. The commentaries help provide a default setting for your games, but players should always feel free to discuss the rules before a game, and change things as they see fit if they both want to do so (changes like this are usually referred to as 'house rules').

Our commentaries are updated regularly; when changes are made any changes from the previous version will be highlighted in **magenta**. Where the stated date has a note, e.g. 'Revision 2', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

Q: Can I duplicate mount traits for my Flesh-eater Courts army if I can take more than one?

A: Yes.

Q: Can a Ghoul King on Terrorgheist or Zombie Dragon use the Ruler of All He Surveys scenery rule from the Charnel Throne warscroll?

A: No.

Q: Can any number of Abhorrant Archregents and Abhorrant Ghoul Kings use the Ruler of All He Surveys scenery rule for a single Charnel Throne on the same turn?

A: Yes.

Q: If my general has the Savage Strike command trait, does it fight before Idoneth Deepkin units using the High Tide ability from the Tides of Death battle trait?

A: Yes. The High Tide ability does not say Idoneth units fight 'at the start of the combat phase'; therefore, they fight after anything that is noted as fighting 'at the start of the combat phase'.

Q: When I use a Muster ability for a COURTIER, do I roll separately for each COURTIER? And do I only roll 6 dice for each COURTIER, no matter how many COURTIERS are on the battlefield?

A: Yes to both questions. For example, if you had three COURTIERS, you would pick one COURTIER, then roll 6 dice and resolve the results for that COURTIER, then move onto the next COURTIER and roll 6 dice, and so on.

Q: Is it intended that the Royal Zombie Dragon does not benefit from a healing ability?

A: Yes.

Q: In a Pitched Battle, Royal Terrorgheists and Royal Zombie Dragons from a Gristlegore army are Battleline. Are they still counted Behemoths as well?

A: No.

Q: Some abilities allow you to return a slain model to a unit. When you do so, does the slain model have to originally have come from the unit that it is returned to?

A: Yes.

Q: If I have 3 Abhorrant Ghoul Kings on the battlefield, can I spend 3 command points to use the 'Summon Men-at-arms' command ability 3 times at the end of the same movement phase?

A: Yes.
